

DP Tips

User benefits

- In addition to knowing what we ought to do, we need to know how to do it. Answers are to be found in Tips: questions, ideas, specific steps to take in order to start up a subject of interest.
- They are simple and practical ideas that you can incorporate into your performance in an easy way.

What are they

- Texts of about 15 lines, with an introduction and three to five short proposals.

Application

- In training portals as a reference and development tool.
- Inside packs.
- As a reinforcement element in training programmes.
- In Newsletters.

Features

- More than 1,000 titles on key competences.
- In Spanish, English and other languages.
- Sold by units.
- Several formats: PDF, ZIP, image, etc.
- They can be developed to meet the Client's needs based on job descriptions.
